

# Goals for 4-H Projects

A good goal can be measured or checked and has three parts

Action: How you will do something

Result(s): What you are going to do

Timetable: When you are going to do it.

Examples:

	ACTION	RESULT	TIMETABLE
I want	to learn	to bake two kinds of cookies	by Christmas
I want	to give	two demonstrations for my club	by June 1
I want	to train	my dog to sit and lay down	before the county

Now...Make some goals for your project!
